## Technical Data Sheet

### Tectane Penetrating Oil Spray

Provides protection against rust. With MoS2 & additional corrosion protection

#### Product Description

Tectane Penetrating Oil Spray is a well-established lubricant and rust remover. Tectane Penetrating Oil solves, effortlessly and fast, a number of problems with servicing, repairs, maintenance and production.

#### Benefits

- Releases rusted screwed joints, nuts and bolts
- Offers long lasting corrosion protection
- Removes squeaking and creaking noises
- Greases sliding surfaces

#### Applications

Tectane Penetrating Oil Spray can be used for car maintenance, industry, household, marine, etc.

#### Directions Of Use

Shake can vigorously before application. Spray onto rusted surface so that all rusty parts are fully covered. Let product rest for a couple of minutes. Remove dissolved rust.

#### Additional information

|  |  |              |
|--|--|--------------|
| Base                                   |  | Hydrocarbons |
| Density                                |  | 0.704        |
| Extrusion rate gs                      |  | 1.8          |
| Frost resistance during transportation |  | Up to -15°C  |
| Pressure at 20c bar                    |  | 4.2          |
