Technical Data Sheet

Zwaluw Electraflow Easipower 310C

Very reliable, professional, electric sealant and adhesive caulking gun

Product Description

Zwaluw Electraflow 310C is a very reliable, professional, electric sealant and adhesive caulking gun for cartridges up to 310 ml. Continuously adjustable pressure setting.

Benefits

- Rechargeable 10.8V lithium-ion battery
- Fully charged within 30 minutes of using a universal charger
- High energy densities
- No memory loss –can be charged at any time (doesn't have to be run empty first)
- Considerably less loss of charge when not in use (charge still in place even after months of limited use)
- All applicators are supplied with ONE battery as standard; a second battery can be supplied on request at an additional cost
- Low - medium viscosity
- Metal frame with support straps to secure cartridge in place
- Reinforced front plate for extra stability
- Maximum (no load) speed: 9mm/sec
